## April Wine

(myles goodwyn)

Published by goody two tunes, inc. - bmiNot so long ago, when I was just a child

I never realized the way I felt inside

And how much you meant to me

How much you meant to me

And I don't think I've ever told you so

And I thought you'd like to know

That now I see and I can understand

I understandI was unkind, I must have been blind to your sorrow

And night after night, trying to live with your sorrow

And I was a bastard and I was wrong

And I was lost in things I've done

And I was stealing just for fun

And it was breaking your heartSo long ago, when I was just a child

I never understood, never realized

How much you meant to me

How much you meant to me

And I don't think I've ever told you so

And I thought you'd like to know

That now I see and I can understand

I understand
