

MAMA MIA

ABBA

I've been cheated by you since I don't know when
So I've made up my mind, it must come to an end
Look at me now, will I ever learn
I don't how, but I suddenly lose control
There's a fire with in my soul
Just one look and I can hear a bell ring
One more look and I forget everything. Oh-oh

Mama Mia, hear I go again. My, my ? How can I resist you?
Mama Mia, does it show again. My, my ? Just how much I missed you

There's something brokenhearted
Knew since the day we parted
Why, why did I ever let you go
Mama Mia, now I really know
My-my. I could never let you go

I've been angry and sad about things that you do
I can't count all of the times that I told you we're through
And when you go, when you slam the door
I think you know that you won't be away too long
You know that I'm not that strong
Just one look and I can hear a bell ring
One more look and I forget everything. Oh-oh

Mama Mia, hear I go again. My, my ? How can I resist you?
Mama Mia, does it show again. My, my ? Just how much I missed you

There's something brokenhearted
Knew since the day we parted
Why, why did I ever let you go

Mama Mia, even if I said I might leave you now and never
Mama Mia, it's a game we play. Bye-bye doesn't mean forever
Mama Mia, hear I go again. My, my ? How can I resist you
Mama Mia, does it show again. My, my ? Just how much I missed you

There's something brokenhearted
Knew since the day we parted
Why, why did I ever let you go

Mama Mia, now I really know
My-my. I could never let you go
