You Make Lovin Fun

Bering Strait

Sweet wonderful you
You make me happy with the things you do
Oh, can it be so
This feeling follows me wherever I goI never did believe in miracles
But I've a feeling it's time to try
I never did believe in the ways of magic
But I'm beginning to wonder whyI never did believe in miracles
But I've a feeling it's time to try
I never did believe in the ways of magic
But I'm beginning to wonder whyDon't, don't break the spell
It would be different and you know it will
You, you make loving fun and I don't have to tell you
But you're the only one
