

# You Make Lovin Fun

## Bering Strait

Sweet wonderful you  
You make me happy with the things you do  
    Oh, can it be so  
This feeling follows me wherever I goI never did believe in miracles  
    But I've a feeling it's time to try  
    I never did believe in the ways of magic  
But I'm beginning to wonder whyI never did believe in miracles  
    But I've a feeling it's time to try  
    I never did believe in the ways of magic  
But I'm beginning to wonder whyDon't, don't break the spell  
    It would be different and you know it will  
You, you make loving fun and I don't have to tell you  
    But you're the only one
