Think Of England

Bear's Den

You're not drinking as much as you used to
I'm the same old, same old
And all those fires that died in our bedroom
I was out fetching woodDo you lie back
And think of England
Do you lie back?
Do you lie back
And think of England with fireworks flashing?
Do you lie back
Learn to feign your feelingsYou know I tried my best to love you
To bear all your pride
But you shook all the habits I gave you
As you shake off the snow in your strideDo you lie back
And think of England
Do you lie back?
Do you lie back
And think of England with fireworks flashing?
Do you lie back
Learn to feign your feelings
