Love Song

Tantric

So here you are, you're knocking at my door,
with seven eyes, the color is the same,
but there's a change.The difference is between the little lies I told,
to keep the peace,
you know the love was still the same.Oh, It's better in life to lose a minute,
than to have to go through life, and really never get to live it.Your primrose path is just an illusion,
I'm sick of all your dirty lies, that caused this confusion.I never want to hear another love song,
it's all a bunch of lies and I've been through it all.I know it's like I'm bitter, I don't give a shit,
I hope you're really happy, and you choke on it.I never want to hear another love poem,
or claiming all your love and truth, there was none.I know it's like I'm bitter, I don't give a shit,
I hope you're really happy and you choke on it.God forgive me for these random things,
the little things I do,
it's really not my truth.Everything is overwhelming me, constantly disserving me,
until I get away from you.It's better in life, to lose a minute,
than to have to go through life, and really never get to live it.I never want to hear another love song,
it's all a bunch of lies and I've been through it all.I know it's like I'm bitter, I don't give a shit,
I hope you're really happy, and you choke on it.I never want to hear another love poem,
or claiming all your love and truth, there was none.I know it's like I'm bitter, I don't give a shit.
I hope you're really happy, and you choke on it.(instrumental)And I smile, as you listen,
and you're thinking to yourself,
you're the reason why, you're living in this pain.I never want to hear another love song,
It's all a bunch of lies and I've been through it all.I know it's like I'm bitter, I don't give a shit,
I hope you're really happy and you choke it.I never want to hear another love poem,
or claiming all your love and truth, there was none.I know it's like I'm bitter, I don't give a shit,
I hope you're really happy and you choke on it.I never want to hear another love song,
It's all a bunch of lies and I've been through it all.I know it's like I'm bitter, I don't give a shit,
I hope you're really happy and you choke it.I never want to hear another love poem,
or claiming all your love and truth, there was none.I know it's like I'm bitter, I don't give a shit,
I hope you're really happy and you choke,
on it.on it,
on it,
on it, on it, on it,
I hope you choke on it.
