Dance For You

Joey Tempest

She said, take time to know meI'm not as bad as I seem
They say your heart needs a second chance
I want to now what that meens
I said, where do you come from?
And what do you do?I'm retired now
But baby I would dance for youDon't walk away just because
I look a little round out
I was lost on the wrong side of midnight
And the wrong part of sand
I don't know what can we go
What will be throughI'm retired now
But baby I would dance for youYou seems such a lucky girl
Not a fear in this whole, wild world
Makes it hard to see
As she is dying
For some companyWhy don't you stay here with me
As we where two of a kind
Yeah, lately the weird things been going
Honey, I'm sure you wouldn't mind
Don't think you own me a thingWhatever you doI'm retired now
But baby I would dance for youI'm retired now
But baby I would dance for youI will dance for you
Dance for you
For you
