

White Feather (Live In London)

Marillion

When I hit the streets back in '81
Found a heart in the gutter and a poet's crown
I felt barbed wire kisses and icicle tears
Where have I been for all these years? I saw political intrigue, political lies
Gonna wipe those smiles of self-satisfaction from their eyes I will wear your white feather, I will carry your
white flag
I will swear I have no nation but I'm proud to own my heart
I will wear your white feather, I will carry your white flag
I will swear I have no nation but I'm proud to own my heart
My heart, this is my heart We don't need no uniforms, we have no disguise
Divided we stand, together we'll rise We will wear your white feather all the children
We will carry your white flag
We will swear we have no nations Beirut children
But we're proud to own our hearts Jerusalem children We will wear your white feather Tokyo children
We will carry your white flag Moscow children
We will swear we have no nations Washington children
But we're proud to own our hearts Munich children These are our hearts Chicago children
These are our hearts Cairo children
You can't take away our hearts
You can't steal our hearts away I can't walk away I can't walk away
No more, no more, no more, no more
