Paradise Place

Siouxsie and the Banshees

Look to the hills, now look at my face
Do you notice my eyes, are they in the right place?There's a Mantovani backdrop to pucker up a tummy tuck
A voice soft as lint mashed up with shades of pinkHide your genetics under drastic cosmetics
But this chameleon magic is renowned to be tragicLook to the hills now look at my face
Do you notice my eyes are they in the right place?
