

Stars and Stripes

Circle Jerks

What they did, past or present
Got us in this situation
Predicament, no where to run
Everybody's building bombs No more housewives
Days of our lives
Television, Disneyland
Basketball or stars and stripes Their chairman's on his death bed
Our president's popularity is down
An epileptic called a colonel
Presses a button and it's all knocked down No more housewives
Days of our lives
Television, Disneyland
Basketball or stars and stripes Ha ha ha, you're all gonna die
And you voted for that guy Science, modern technology
Digs your grave
Care of Moscow and DC
Votes you never gave No more housewives
Days of our lives
Television, Disneyland
Basketball or stars and stripes Or stars and stripes
Or stars and stripes
Or stars and stripes My country 'tis of thee
Sweet land of liberty
