

You're Nobody 'Til Somebody Loves You

Gap Mangione-Pna/Tony Levin-Bass/Steve Gadd-Drums

You're nobody 'til somebody loves you
You're nobody 'til somebody cares
You may be a king and you may possess
The world and all its gold
But gold won't bring you happiness
When you're growin' old
The world is still the same, you'll never change it
Just as long as the stars shine above
Well, you're nobody 'til somebody loves you
So find yourself somebody to love
The world is still the same, you'll never change it
Just as long as the stars shine above
You're nobody 'til somebody loves you
So find yourself somebody, find yourself somebody
Find yourself somebody to love
