I Remember

Greyhounds

I remember your touch
In the middle of the night
And how happy we were
Everything seemed so right
But as time moved on
As people, we began to change
And the things we once loved,
slowly started to seem strangeWhy'd you have to leave me
Why'd you have to go away
Now I'm living alone
Wondering when/where I'm gon' go from here (?)
It's so hard not knowing
That when I turn around you're not there
Sometime I wonder where you are
If you're happy now that I'm gone
But I can't linger in the past
Put it behind and move onLove, why'd you have to leave me
Why'd you have to go awayWhy'd you have to leave me
Why'd you have to go away
Why'd you have to leave me
Why'd you have to go away
Ohhhh, oh oh oh oh
Why'd you have to leave me
Why'd you have to go awayyyyy
