Save a Prayer

Alexia

You can't think about tomorrow
When you're livin' in a fight
Deep inside you're feeling pain and sorrow
And you wander in the nightThis is my waySave a prayer for tomorrow
Never close your eyes
Save a prayer for tomorrow
Never be so blindWhen the road is long and narrow
And you feel you've lost your sight
Then you need another road to follow
In the dark you will find a lightThis is my waySave a prayer for tomorrow
Never close your eyes
Save a prayer for tomorrow
Never be so blindThis is my way
And I keep on prayingA prayer for you
You know it's true
A prayer for youSave a prayer for tomorrow
Never close your eyes
You know it's trueSave a prayer for tomorrow
Never be so blind
Oh, you know it's trueSave a prayer for tomorrow
(A prayer for you)
Never close your eyes
Oh, you know it's trueSave a prayer for tomorrow
Oh yeah, you know it's true
Never be so blind
Yeah, you know it's trueAnd oh, save a prayer for tomorrow
