I'm Insane

Ratt

Well, I'm off my rocker
I fell out of my tree
I've been standin' on shaky ground
There's no helping me, yeahI can't remember my number
I can't remember your name
I can't remember all the trouble I'm in, childWell, I'm insane
Well, I'm insane
Well, I'm insane
Well, I'm insaneYou don't go looking for trouble
Well, I'm all the trouble you need
You don't go looking for bad love
You got it guaranteed, yeahI can't see no colors
I can't play your games
I should've listened what my momma said, childWell, I'm insane
Well, I'm insane
Well, I'm insane
Well, I'm insaneI'm insane
I'm insane
I'm insaneYou lock me up in a padded room
Chain me to the floor
Well, I'm headed for lobotomy
And I'm beggin' them for moreWell, I'm off my rocker
I fell outta my tree
I've been standin' on shaky ground
Well, there's no helping me, yeahI can't remember my number
I can't remember your name
I can't remember all the trouble I'm in, childWell, I'm insane
Well, I'm insane
Well, I'm insane
Well, I'm insaneWell, I'm insane
Well, I'm insane
Well, I'm insane
Well, I'm insane
