

Razorblade Kiss

Him

I taste death in every kiss we share
Every sundown seems to be the last we have
Your breath on my skin has the scent of our end
I'm drunk on your tears, Baby, can't you see it's hurting
Every time we touch we get closer to heaven
And at every sunrise our sins are forgiven

Uh uh

You on my skin this must be the end
The only way you can love me is to hurt me again
And again Your love is a razor blade kiss
Sweetest is the taste from your lips
Your love is a razor blade kiss
Sweetest is the taste from your lips
Oh the taste from your lips, my Darling
Taste from your lips, oh my Love Only inside I'm free

I'm tired of waiting

You've got to let me dream

Inside Baby

I'm not afraid to feel

I want you to love me

Cause you are the one

Cause you are the one

Cause you are the one Your love is a razor blade kiss

Sweetest is the taste from your lips

Your love is a razor blade kiss

Sweetest is the taste from your lips

Your love is a razor blade kiss

Sweetest is the taste from your lips

Your love is a razor blade kiss

Sweetest is the taste from your lips
