

# Nameless Change

## My Former Self

Good evening Ms. Understood I'm feeling so wrong  
That eventually this moment, will pass me along  
What am i waiting for  
I want to tell you now before I've lost it  
Your arms could hold me hostage if they weren't already tied up in him  
Can you tell by nameless change in  
action  
I've single handedly abandon any chance I had  
Good morning heartache after forfeit  
I hate that I've awoken  
Black and blue and broken  
I've done what's best for her  
I want to say this now before I've lost it  
But your arms could hold me hostage if they weren't already tied up in him  
leave well enough alone and she'll  
be better off if you just....
