Fredo Santana

Advisory - the following lyrics contain explicit language:

[Hook: Chief Keef]

A big K, a big K

I just went and bought a big K

Shoot a nigga dead in his face

I ain't ever like him anyway

It's gon' be okay, it's gon' be okay

I sip lean, I don't like no RosÃ©

I just bound from a whole K

Baby you know we the Glo Gang [Verse 1: Fredo Santana]

2-4-14 be the gang

Big boss, put a goofy in his place

Got 30's hangin' off my fuckin' waist

Don't make me catch a mothafuckin' case

He owe gwap then that nigga better pay

Or I'mma be at his crib the next day

With a big K, a big K

Shoot his momma in the mothafuckin' face

In the trap, whippin' work like a slave

In the hood, my lil' niggas can't behave

Chest shot, or the neck, or the face

Put an Op nigga in his fuckin' grave

A big K, a big K

Sosa say he want him dead, he die today

Got a 30, I just bought a big K

It's ok, it's ok [Hook: Chief Keef] [Verse 2: Fredo Santana]

Sneak dissin', get found the next day

Stretched out, bullet holes from my K

It ain't my birthday, but I got a lot of cake

Try to take it and I'm shootin' you in the face

In the trap, with the squad, movin' weight

White bitches sniff a row up off the plate

I don't trust niggas, lot of niggas fake

When I'm on your ass, ain't no escape
Try to run, I ain't worried, bullets chase
I just went and bought a big K
It's ok, it's ok
I just went and bought a big K[Hook: Chief Keef]
