Sleeper Coach Driver

Reverend Horton Heat

I got an eight wheel coach that I'm able to drive
I'm always ahead of my time to arive
Great big stars I know them all real well
I got a few stories I never will tellI know all the cheap stops to save the band on fuel
A Silver Eagle bus and people think that it's cool
It pays the bills for my kids and my beautiful wife
A sleeper coach driver that's my lifeForty five feet long and eleven feet tall
Fourteen televisions, shower and all
Two refridgerators and a satellite dish
I drive this sleeper coach where ever they wishWhen people see this bus so shiny and clean
They're seeing a professional diesel machine
But all they want to know is who I got inside
Sometimes I told the truth and sometimes I lied
Sometimes I told the truth and sometimes I lied
Sometimes I told the truth and sometimes I lied
Sometimes I told the truth and sometimes I liedForty five feet long and eleven feet tall
Fourteen televisions, shower and all
Two refridgerators and a satellite dish
I'll drive this sleeper coach wherever they wishVan Hool, Star Coaches, driven them too
From rap, rock n' roll and country, to the blues
Ask how this became what I do
I was a picker in a band on a sleeper coach too
A picker in a band on a sleeper coach too
I was a picker in a band on a sleeper coach too
A picker in a band on a sleeper coach tooForty five feet long and eleven feet tall
Fourteen televisions, shower and all
Two refridgerators and a satellite dish
I'll drive this sleeper coach wherever they wishVan Hool, Star Coaches, driven them too
From rap, rock n' roll and country, to the blues
Ask how this became what I do
I was a picker in a band on a sleeper coach too
A picker in a band on a sleeper coach too
I was a picker in a band on a sleeper coach too
A picker in a band on a sleeper coach tooSo long
Adios
Good bye
