Krafty (Riton Re-rub Remix)

New Order

Some people get up at the break of day
Gotta go to work before it gets too late
Sitting in a car and driving down the road
It ain't the way it has to beBut that's what you do to earn your daily wage
That's the kind of world that we live in today
Isn't where you want to be
And isn't what you want to beGive me one more day (one more day)
Give me another night (just another night)
I need a second chance (second chance)
This time I'll get it right (This time I'll get it right)I'll say one last time (one last time)
I've got to let you know (I've got to let you know)
I've got to change your mind (I've got to change your mind)
I'll never let you go (I'll never let you go)You've got to look at life the way it oughta be
Looking at the stars from underneath the tree
There's a world inside and a world out there
With that TV you just don't careThey've got violence, wars and killing too
All shrunk down in a two-foot tube
But out there the world is a beautiful place
With mountains, lakes and the human race
This is where I want to be
And this is what I want to doGive me one more day (one more day)
Give me another night (just another night)
I need a second chance (second chance)
This time I'll get it right (This time I'll get it right)I'll say one last time (one last time)
I've got to let you know (I've got to let you know)
I've got to change your mind (I've got to change your mind)
I'll never let you go (I'll never let you go)Just give me one more chance (one more chance)
Give me another night (just another night)
With just one more day (one more day)
You know I'll get it right (You know I'll get it right)I'll say one last time (one last time)
I've got to let you know (I've got to let you know)
If I could change your mind (If I could change your mind)
I'll never let you go (I'll never let you go)
