So Cruel

Young Empires

We crossed the line, who pushed who over?
It doesn't matter to you, it matters to me
We're cut adrift, we're still floating
I'm only hangin' on, to watch you go down, my loveI disappeared in you
You disappeared from me
I gave you everything you ever wanted
It wasn't what you wantedThe men who love you, you hate the most
They pass right through you like a ghost
They look for you, but your spirit is in the air
Baby, you're nowhereOh, love, you say in love there are no rules
Oh, love, sweetheart, you're so cruelDesperation is a tender trap
It gets you every time
You put your lips to her lips
To stop the lieHer skin is pale like God's only dove
Screams like an angel for your love
Then she makes you watch her from above
And you need her like a drugOh, love, you say in love there are no rules
Oh, love, sweetheart, you're so cruelShe wears my love like a see through dress
Her lips say one thing
Her movements something else
Oh love, like a screaming flower
Love, dying every hour, loveYou don't know if it's fear or desire
Danger, the drug that takes you higher
Head in heaven, fingers in the fireHer heart is racing, you can't keep up
The night is bleeding like a cut
Between the horses of love and lust
We are trampled underfootOh, love, you say in love there are no rules
Oh, love, sweetheart, you're so cruelOh, love, to stay with you I'd be a fool
Sweetheart, you're so cruel
