Pony

Caitlin Cary

There's a place across this forest
And a sparkle in his stride
Pony shoes are made of silver
He's the one I love to rideMy baby, he's a pony
He's the one who loves me only
My baby is the only one
My pony
At night when I feel lonely
Let him loose where he can run free
My baby is the only one
Every good girl wants a pony
Never had one as a child
Little girls jump over fences
Me and pony roam awayHe doesn't need a saddle
I don't wear silver spurs
I never tie him down
Won't prance for other girlsI'll never build a stable
Run free across the land
And when he's feeling spooky
I calm him with my hand
My baby, he's a pony
He's the one who loves me only
My baby is the only one
My pony
At night when I feel lonely
Let him loose so we can run free
My baby is the only one
My pony
My pony
My pony
