

# Protection

## E Street Radio

Lay down your arms  
Go in peacefully  
Lay down your freedom  
Your individuality  
No place to run  
You're outta sanctuary  
So lay down your arms  
You juniors got your gun  
Hey, we need protection  
Yeah, we need protection from the system  
All we need's protection  
State your name  
Where you're comin' from?  
State your age  
Where you're goin' to?  
Hands on your head  
Turn and face the wall  
You're dead to rights  
You're messing with the law  
Hey, we need protection  
Yeah, we need protection from the system  
All we need's protection  
Hey, we need protection from protection  
From protection, from protection, from protection  
Hey, we need protection  
Yeah, we need protection from the system  
All we need's protection  
Yeah, we need protection from protection  
From protection, from protection, from protection  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
