Love Is You (Radio Version)

Thomas Godoj

You caught my teardrops in your eyelid
You gave my strength to say hello
You found me stranded on your island
It felt like I was coming home.
And I know that you going places
Take a look
I'm right behindLove is you
Seeing things like you do
Waking up next to you
Wanna give you all,
All that I am,
Love is you
You turn this world in two
Something I never knew
A beauty surrounds you
Love is you.You let me dive in other waters
I close my eyes, I learn to see.
And I don?t want to waste tomorrow
And I won't if you?re there with me.Love is you
Seeing things like you do
Waking up next to you
Wanna give you all
All that I am
Love is you
You turn this world in two
Something I never knew
A Beauty surrounds you
Love is you.
Love is you?You?re my everything,
My everything,
My everything,
My world just falls apart
When you?re not here.You caught my teardrops in your eyelid
It felt like I was coming home.
Love is you
Seeing things like you do
Waking up next to you
Wanna give you all
All that I am.

Love is you
You turn this world in two
Something I never knew
A beauty surrounds you
Love is you
You?re my everything
My everything,
My everything,
My world just falls a part
When you?re not here
Love is you?
