

# The Black Rider

Tom Waits

Come on along with the Black Rider  
We'll have a gay old time  
Lay down in the web of the black spider  
I'll drink your blood like wine So, come on in it  
Ain't no sin take  
Take off your skin  
And dance around in your bones Come on along with the Black Rider  
We'll have a gay old time Anchors away with the Black Rider  
I'll drink your blood like wine  
I'll drop you off in Harlem with the Black Rider  
Out where the bullets shine So, come on in it  
Ain't no sin  
Take off your skin  
And dance around in your bones Come on along with the Black Rider  
We'll have a gay old time Come on along with the Black Rider  
I want your company  
Come on along with the Black Rider  
I've got just the thing for thee I'll have the veal life  
A lovely meal  
That's how I feel  
May I use your skull for a bowl? Come on a along with the Black Rider We'll have a gay old  
We'll have a gay old  
We'll have a gay old  
We'll have a gay old We'll have a gay old  
We'll have a gay old  
We'll have a gay old time
