Stormy Clouds (Reprise)

The Verve

I wanted to tell you my story
How my life seemed to change in a matter of days
The heavens break I am walking tall
How come change always seems to bring the rainStormy clouds, new horizons
Come and get it, if you want to
So hop on the train 'Cause it kills the pain
Blues player going to another town
Believe me this boy here is sinking
Just drinkingThese streets, these times
They tie me down through with you
But I feel no pain
Stormy clouds, new horizons
