

You're Not the Only One

Black Pistol Fire

"You're Not the Only One"

[Verse]

Knock at knees what you rock n'roll
Knock at knees what you rock n'roll
I don't wanna see you slip away
I don't wanna see you curse my name

Back me up from my head to toe
Back me up from my head to toe
I don't wanna see you slip away
I don't wanna see you curse my name

[Chorus]

You-hoo-hoo
You're not the only one
You-hoo-hoo
You're not the only one
You-hoo-hoo
You're not the only one
You-hoo-hoo
You're not the only one
You're not the only one

[Verse]

Satisfied when you burnt my soul
Satisfied when you burnt my soul
I don't wanna see you slip away
I don't wanna see you curse my name

Knock at knees what you rock n'roll
Knock at knees what you rock n'roll
I don't wanna see you slip away
I don't wanna see you curse my name

[Chorus]

You-hoo-hoo
You're not the only one
You-hoo-hoo
You're not the only one
You-hoo-hoo

You're not the only one

You-hoo-hoo

You're not the only one

You're not the only one

[Bridge]

? Wild hawk like spinning top ?

And, baby, looking for some pain

You paint me up, and dress me up like a fool

?Your special lies? Your alibis are all the same

[Chorus]

You-hoo-hoo

You're not the only one

You-hoo-hoo

You're not the only one

You-hoo-hoo

You're not the only one

You-hoo-hoo

You're not the only one

You're not the only one
