Spite

Godflesh

See me, Feel me, Hear me
You just ruin me
Hate me, Forget me, You don't see me
Come on feel my spiteSee me, Feel, Hear me
You just fuck me
Hate me, Forget me, You don't see me
Come on feel my spiteFeel me, See me, You hear me
You just ruin me
Forget me, Hate me, You don't see me
Come on feel my spite
