

# Spite

## Godflesh

See me, Feel me, Hear me  
You just ruin me  
Hate me, Forget me, You don't see me  
Come on feel my spiteSee me, Feel, Hear me  
You just fuck me  
Hate me, Forget me, You don't see me  
Come on feel my spiteFeel me, See me, You hear me  
You just ruin me  
Forget me, Hate me, You don't see me  
Come on feel my spite
