

Yer Majesty

Shinedown

Come closer inside
There's something I need you to see
It's just a picture
Of what the ignorant believe I come so you can know me
I'm here to make you proud
I come to wreck and guide you
I'm here to show you how You know I'm coming for you
'Cause I got nothing to lose
And now I'm still on my way
For the pay So you wanted to be free from everything you've done to me?
And you wanted to be known so you wouldn't feel so alone?
And you wanted to believe that you steal our integrity?
And I'm sorry you're on your knees, but you can't blame me, Yer Majesty Let's take a moment
I need to spoil who you are
I played your game once
You sold me out with no regard I come so you can know me
I'm here to make you proud
I come to wreck and guide you
I'm here to voice out loud You know I'm coming for you
'Cause I got nothing to lose
And now I'm still on my way
For the pay So you wanted to be free from everything you've done to me?
And you wanted to be known so you wouldn't feel so alone?
And you wanted to believe that you steal our integrity?
And I'm sorry you're on your knees, but you can't blame me, Yer Majesty So you wanted to be free from
everything you've done to me?
And you wanted to be known so you wouldn't feel so alone?
And you wanted to believe that you steal our integrity?
And I'm sorry you're on your knees, but you can't blame me, Yer Majesty
