Yer Majesty

Shinedown

Come closer inside
There's something I need you to see
It's just a picture

Of what the ignorant believel come so you can know me

I'm here to make you proud

I come to wreck and guide you

I'm here to show you how You know I'm coming for you

'Cause I got nothing to lose

And now I'm still on my way

For the paySo you wanted to be free from everything you've done to me?

And you wanted to be known so you wouldn't feel so alone?

And you wanted to believe that you steal our integrity?

And I'm sorry you're on your knees, but you can't blame me, Yer MajestyLet's take a moment

I need to spoil who you are

I played your game once

You sold me out with no regardI come so you can know me

I'm here to make you proud

I come to wreck and guide you

I'm here to voice out loudYou know I'm coming for you

'Cause I got nothing to lose

And now I'm still on my way

For the paySo you wanted to be free from everything you've done to me?

And you wanted to be known so you wouldn't feel so alone?

And you wanted to believe that you steal our integrity?

And I'm sorry you're on your knees, but you can't blame me, Yer MajestySo you wanted to be free from everything you've done to me?

And you wanted to be known so you wouldn't feel so alone?

And you wanted to believe that you steal our integrity?

And I'm sorry you're on your knees, but you can't blame me, Yer Majesty
