

# Inside Of You

## Infant Sorrow

I'm on a trip  
I can't get off  
Can't get over  
    I want it all  
    I want it all  
    Inside of you  
    I call you up  
    You're getting off  
    I'm coming over  
    You're twenty-one  
I see your eyes, you're barely sober  
    I hear your voice  
You're calling out from me to you  
I pour a drink, you move in quick  
    You're moving forward  
    Then you said  
        "No, whoa  
I'm never gonna be inside of you"  
    And I said  
        "No, whoa  
I'm never gonna see inside of you"  
    Because I know I'm gonna fall  
    And you'll be waiting for it all  
Because I know, I know, I know  
    I can't get inside of you  
        Inside of you  
        This fragile game  
It's like a train that's headed nowhere  
    It never stops  
    And I can't see the exit sign  
        We're headed north  
I see the cliff, we're getting closer  
    Look out, baby  
So don't say that you just want to runaway  
Replay all the things that I tried to say  
I'm twenty-one, so you're getting off  
    I'm coming over  
    Then you said  
        "No, whoa

I'm never gonna be inside of you"

And I said

"No, whoa

I'm never gonna see inside of you"

Because I know I'm gonna fall

And you'll be waiting for it all

Because I know, I know, I know

I can't get inside of you

Inside of you

Hey

I'm on a trip

I can't get off

Can't get over

I want it all

I want it all

Inside of you

I call you up

You're getting off

I'm coming over

Yeah, yeah, yeah

No, whoa

I'm never gonna be inside of you

And I said

"No, whoa

I'm never gonna see inside of you"

Because I know I'm gonna fall

And you'll be waiting for it all

Because I know, I know, I know

I can't get inside of you

Inside of you

I know I'm gonna fall

And you'll be waiting for it all

Because I know, I know, I know

I can't get inside of you

Inside of you

I'm on a trip

I can't get off

Can't get over

I want it all

I want it all

Inside of you

I call you up

You're getting off

I'm coming over

Yeah, yeah, yeah
