Dojah

kid indigo

CHORUS
Yo, I got some dojah
You can hit it if you wanna
Matter of fact, baby, I'll show ya
Yeah
(x2)
I swear she is the sweetest thing,
to meVerse 1
I've been lying low like a wolf, I know
I don't even care, you can't catch my tide
I'm the type of kid that likes to be alone
you can always know when I'm on my flightI've been in a way, stuck, ay
I think it's time for me to breathe
I'm not the type that pretends
I'm stillCHORUSI've been sittin' high on the roof, you know
Focused on the goal, please don't waste my time
I'm the type of kid who likes to be alone
And only likes to smoke when the time is rightSo tell me now you like it in the 3-6-0
Good vibes, blue skies and music, oh
Green trees, sit back and just let go
Chill nights, free minds, and red lightCHORUSShe loves me through the summer (I swear she is the sweetest thing)
She loves me through the winter
I never want to leave her (I swear she is the sweetest thing)
Even through the fall, the spring, she's callin', she's callin', she's callin', likeCHORUS (x2)I swear she is the sweetest thing, to me (x4)
