

# I Want My Baby Back

## Chiquita y Chatarra

Your eyes have been a different kind of blue  
I can feel the sadness when I'm touching you  
It's as if lately, you've been standing in sinkin' sand  
Before you go down any deeper let me help, take my hand  
I want my baby back, I miss the way you used to  
laugh  
And dance around to your own beat, so alive and so carefree  
I want my baby back, where is the old you hiding at  
You may be here but baby you've been gone too long  
Girl you're in a mood, I've never seen you in  
It breaks my heart to see you in a downward spin  
You're looking lost but you don't have to be alone  
Why don't you talk to me, tell me what's going on  
I want my baby back, I missed the way you used to laugh  
And dance around to your own beat, so alive and so carefree  
I want my baby back, where is the old you hiding at  
You may be here but baby you've been gone too long  
I want to see that crazy smile  
Like you just might do something wild  
There it is here it comes  
Just in time you could use a little fun  
I want my baby back, I miss the way you used to laugh  
And dance around to your own beat, so alive so carefree  
I want my baby back, where is the old you hiding at  
You may be here but baby you've been gone too long  
I want my baby back  
I want my baby back  
Oh, here on back  
I want my baby back
