

# Im Alive

Peter Furler

When I was locked inside my head  
When I was lost in a maze of doubt  
You called my name and woke me up  
You called my name and led me out

And when I chased one more mirage  
'Til I was tired and parched again  
You gave me one more cup to fill  
And sent me one more desert rain

I'm alive, I'm on fire  
And my spirit burns with desire  
You set me alight, bright-eyed  
And with no way to hold it inside  
I wanted to thank You  
Thank You, thank You

I was sure of all I knew  
I knew the world was mine to claim  
I had directions printed out  
And then I hit a wall of shame

Out there alone and left to die  
Cut off from You, my sole supply  
You shed Your tears for me and then  
You took my hand and raised me high

I'm alive, I'm on fire  
And my spirit burns with desire  
You set me alight, bright-eyed  
And with no way to hold it inside  
I wanted to thank You  
Thank You, thank You

I wanted to thank You  
Thank You, thank You  
I wanted to thank You  
Thank You, yeah, thank You

I wanted to thank You

Yeah, I thank You, just thank You  
I wanted to thank You  
Yeah, I thank You, just thank You  
I wanted to thank You  
Thank You, thank You

I'm alive, I'm on fire  
And my spirit burns with desire  
You set me alight, bright-eyed  
And with no way to hold it inside  
I wanted to thank You  
Thank You, thank You

I, I'm alive, I'm on fire  
And my spirit burns with desire  
You set me alight, bright-eyed  
And with no way to hold it inside  
I wanted to thank You  
Thank You, thank You

I wanted to thank You  
Thank You, thank You  
I wanted to thank You  
Thank You, thank You  
I wanted to thank You  
Thank You, thank You
