

Way To Rio (Stefy De Cicco Remix Radio Edit)

[Tony T.](#)

The time is now yes man, so gather all your friends and let's go.
feel the light of the morning sun, feel this, start rejoicing now everyone, eh
follow me let me lead the way, in my heart is where you will stay, yes. I'm on my way to Rio that's where the sun
always shines.
I'm on my way to Rio so just place your hands in mine.
I'm on my way to Rio love will leave know one behind.
I'm on my way to Rio so just place your hand in mine yes. it's the right time for having fun, yes, having fun yes,
party time underneath the sun yes
follow me let me lead the way, in my heart is where you will stay. I'm on my way to Rio that's where the sun always
shines.
I'm on my way to Rio so just place your hands in mine.
I'm on my way to Rio love will leave know one behind.
I'm on my way to Rio so just place your hand in mine yes. know more dark roads the sun will always shine so let
us gather together
and spread love one more time. can you feel it it's amazing
can you feel it it's amazing
can you feel it it's amazing
I'm on my way to Rio that's where the sun always shines
I'm on my way to Rio so just place your hands in mine
I'm on my way to Rio love will leave know one behind
I'm on my way to Rio so just place your hand in mine yes written by Neal A. Dyer
