Sweet Summer Loving

Erasure

I was feeling down had lost my lust for life
'Til I caught a glimpse of you that night
Never knew how much things were about to change
Saw you in the corner of my mindYou show me there's more to life
There's gotta be more to life
Gotta count our blessings from the universeSweet summer loving
Baby you're the best thing that ever happened to me
Baby you're the best thing
Baby you're a blessing
Baby you're the best thing that ever happened to me
A breeze on the body
Baby come and get me I got the blues for you
Baby you're the best thing
Baby you're a blessing
Baby you're the greatest thing
How did you rekindle my breathless flame
Memories that cut me like a knife
Time will heal the wounds they say you know it's true
You gave me room to build my faith in youThere's gotta be more than this
There's gotta be more than that
It's been a long time coming
Baby here you areSweet summer loving
Baby you're the best thing that ever happened to me
Baby you're the best thing
Baby you're a blessing
Baby you're the greatest thingI won't try to bring you down
Don't worry I ain't gonna let you baby
I won't try to bring you down
Don't worry you ain't gonna let me baby
Sweet summer loving
Baby you're the best thing that ever happened to me
Baby you're the best thing
Baby you're a blessing
Baby you're the greatest thingSweet summer loving
Baby you're the best thing that ever happened to me
Baby you're the best thing
Baby you're a blessing
Baby you're the best thing that ever happened to me
A breeze on the body

Baby come and get me I got the blues for you
Baby you're the best thing
Baby you're a blessing
Baby you're the greatest thing
