Do Wrong Tonight

Keith Sweat

Sitting here looking at the way you dress damn this bad intentions*
Trying to figure out how we got on this bed, sexual intentions.
We've been thinking it, we've been scheming it, now its time to do it.
We could did you of, really did you, ain't nothing to it.
We can do anything we want up in this room but would it be cool
If we do wrong tonight, I mean just get it on forget about the love that's at home.
If we do wrong tonight don't you think they would know, would it be on the low;
If we go to the motel sipping on Petron, put on your thong, we would be solo, solo.
We could never be right; no matter how hard we try.
We can't be justified, shit, we doing wrong tonight.
Wedding band in the bathroom on the sink, damn this bad intentions.
Turn them picture around so my girl don't see this sexual positions. He be glad you here be working lately ____; she's far too much we don't love enough so that's my reason. We should do everything we said we would do but would it be cool.
If we do wrong tonight (if we do wrong tonight),
I mean just get it on forget about the love that's at home.
If we do wrong tonight don't you think they would know, would it be on the low.
If we go to the motel sipping on Petron, put on your thong, we would be solo, solo.
We could never be right; no matter how hard we try.
We can't be justified, shit, we doing wrong tonight.
As bad as I want it girl just think the thing to do (oh, no, no, no),
Cause when it's all over I'll be going home and so will you (oh, no, no, no).
After you look in his eyes and swear that you ain't lying and even though it feels right I can't compromise.
I made a vow and Im going to be faithful for the rest of my life.
