She's smokin and I'm about to steam one
Let's get and make love on Venus Baby, the balls is in your court like Serena's
Make me jump over that net between us
And let nothin get between us
We too hot, only sweat between us Girl, you're hot like fire, gimme whatcha got
Coldest thing movin', gimme whatcha got
Heat up like summer, gimme whatcha got
Girl, you know what you doing, gimme whatcha got 28s on a Hummer, gimme whatcha got
'Cause you're the number 1 stunner, gimme whatcha got
You got it, gimme whatcha got
You got it, girl That's it, baby girl, put it on my zipper
We aint in the club but I still wanna tip her
You should be my missus, I could be your mister
Put me on deck, shawty, I could be your skipper I'll give you a kiss for every time you make me smile
I'll give a thousand if you stay a little while
Longer and I'm gettin stronger
Feelin that I get with you, shawty, do what it do Girl, you're hot like fire, gimme whatcha got
