

# After Jane

Joan Osborne

I can't laugh, I can't moan, I can't leave myself alone  
After Jane, after Jane  
I was hers, she was mine, we were together all the time  
Oh my Jane, oh my Jane Maybe it's the right thing and maybe it's wrong  
You know I lie awake and wonder all night long  
Maybe it's over and maybe we're free  
You know this lonely feeling is grown in me Will I rise up again, will I ever know a friend  
Like my Jane, oh my Jane Maybe it's the right thing and maybe it's wrong  
You know I lie awake and wonder all night long  
Maybe it's over and maybe it's not  
You know this lonely feeling is all I've got
