More And More

Little Milton

Na na na, baby
Na na na, you got that look on your face
Na na na, like you wanna go all night
Na na, an' I like that
Ooh na na na, I just want you to know that, uh
Na na na, I ain't got no problem with that
Na na na, just as long as we go to the next level
Na na na, you know what I'm sayin', check it out
For as long as your willin' girl
Want you to know that I'm willin' too
An' where you want me to go girl
I'll be willin' to go there for you
If you want me to take my time
Then I'll be willin' to spend the night
All you gotta say is, "Please stay Joe"
An' I will be stayin' as long as you sayin'
More an' more, then after that you want
More an' more, then after that
More an' more, then after that
More, more, I hear you sayin'
More an' more, then after that you want
More an' more, then after that
More an' more, then after that
More, more
Now if you want me to make your love come
I'll be willin' to do anythin'
Even if you want me to kiss places
Then I will be willin' to make you scream
Said I'm down for whatever you say
All you gotta do is speak your mind
Want me here Monday to Monday
Then, baby girl, it's fine as long as you screamin'
More an' more, more, more
More an' more, then after that you want
More an' more, then after that
More, more, I wanna hear you say
More an' more, then after that you want
More an' more, then after that
More an' more, then after that

More, more
Girl, we'll be goin' from the bed to the floor, babe
Then we'll be goin' from the bedroom to the kitchen, babe
Then we'll be goin' from the kitchen to the dinin' room
Then straight to, baby, straight to the livin' room
I'll be takin' you up, takin' you up the stairs, babe
I guarantee, I guarantee I'm 'bout to drive you crazy
We'll be all over the house, we'll be all over the house, babe
As long as your screamin' for me, sayin', "Give me more"
More an' more
More an' more, then after that you want
More an' more, oh baby
More, more, I gotta hear you say
More an' more, more
More an' more, it's about time that I show
More an' more, that I'm not your 'Average Joe'
More, more
All the ladies sing with me
Na na na
Na na na
Na na na
All the ladies sing with me
Na na na
Na na na
Na na na
