Pick you up, pick you up
Play me like your favourite song
Lick it up, lick it up
Drink tequila â€™til itâ€™s gone
You know I like what you do
You paint the town black and blue

Like a glove, like a glove
Gonna fit you like a glove
Drop it down, by the pound
Now this room is showing love
This love is stronger than light
We only run things at night

We only do it in the A.M. (A.M.)
We only do it in the A.M. (A.M.)
We only do it in the A.M. (A.M.)
We only do it in the A to the M
Then we do it again baby

Get it now, get it now
Gonna show some people how
You impress, you impress
Competition ainâ€™t the best
Last ones in, first ones out
Baby we ainâ€™t the crowd

From our seats, from our seats
Everybody wants a piece
What you think, buy a drink
Keep on shootinâ€™ until we sink
We got our own little crew
And we ainâ€™t following you

We only do it in the A.M. (A.M.)
We only do it in the A.M. (A.M.)

We only do it in the A.M. (A.M.)

We only do it in the A to the M

Then we do it again baby

Yo

No time for chit chat

Blah blah, letâ€™s get down to business

Yeah,

I donâ€™t play around when the club shuts down

Iâ€™m a zombie out to kill this, yeah

Midnight mashin, no mansion

Holiday Inn and we champaign splashing

Free wired with the Far East Movement

And Frankmusik we party CRASHIN

Get love in the AM

Get love in the AAM

Get love in the AM

Get love in the AAM,

FM,

Frankmusik,

FM,

Far East Movement

FM!

Cherry Cherry Boom Boom

The A.M.

Only in the AM

AM

We only do it in the AM

We only do it in the AM

We only do it only in the AM

A to the M then we do it again baby

(Get love in the AM)

A to the M then we do it again baby

(Get love in the AM)

A to the M then we do it again baby

(Get love in the AM)

A to the M then we do it again baby

(Get love in the AM)
