This Time I Know It's For Real

[Donna Summer](...)

I love you
I love youI love you
I love you
I love you so, babyGotta find a way just to let you know
Gotta find a way to get the message to youWhat would I have to do to get you to notice me too?
Do I stand in line, one of a million admiring eyes
Walk a tightrope way up high
Write your name across the sky?I'm going crazy just to let you know
You'd be amazed how much I love you so, baby
When I get my hands on you, I won't let go
This time I know it's for realShould I write or call your home
Shout it out with a megaphone, radio, TV news
Got to find a way to get the message to you
To say I love you with a neon sign, anything to make you mineI'm going crazy just to let you know
You'd be amazed how much I love you so, baby
When I get my hands on you, I won't let go
This time I know it's for realI'm going crazy just to let you know
If I wait too long for you, I might explode, baby
I've been around the block enough to know
This time I know it's for realThis time, this time
Gotta find a way to get the message to you
This time, this time
Oh, babyI'm going crazy just to let you know
I've been around the block enough to know
This time I know it's for realOh, baby
This time, this time
This time, this timeOh, baby
This time, this time
Oh, babyWalk a tightrope way up high
Write your name across the skyI'm going crazy just to let you know
You'd be amazed how much I love you so, baby
When I get my hands on you, I won't let go
This time I know it's for realI'm going crazy just to let you know
If I waited too long for you I might explode, oh baby
I've been around the block enough to know
This time I know it's for real
