

# Phantom

## White Kaps

Pick my girlie up so I could take her to a show  
Phantom of the Opera but she didn't want to go  
All the rich people came in the same limo  
And there is one thing that they will never know that  
there's no music, no music, no music, no music, no music, no music,  
no music, no music, no muuuu, music of the night  
Drinking at the bar the shitty twenty dollar drinks  
As the curtain rose, we were ushered to our seats  
Getting her to sit through it turned out to be a feat  
Underneath the stage a drummer's beatin' off his meat and  
there's no music, no music, no music, no music, no music, no music,  
no music, no music, no muuuu, music of the night  
At the end of the show the Phantom had to lose his mask  
Getting my girl out of her dress turned out to be my task  
Now the gag is in her mouth and she is ready to go  
And what happens next is something you will never know that  
there's no music, no music, no music, no music, no music, no music,  
no music, no music, no muuuu, music of the night
