

Broken Road

Origin Unknown

Time moves slowly while you're gone
I haven't heard your voice in quite some time
 But I still see your face
I cannot erase the things you've done
And all the ways you kept me hanging on
 Now you're gone, I've moved on
 And I don't feel so sorry
 Can't you see I'm bleeding?
 But I won't bleed anymore
 I've held on for so long now
 But I had to let you go
 At the end of our broken road
I know it hurts to hear the truth
Well maybe I was never meant to be with you
 And I cannot replace the tears of disgrace
 That run for you
'Cause running from the truth is what you do
 Now you're gone, I've moved on
 And I don't feel so sorry
 Can't you see I'm bleeding?
 But I won't bleed anymore

 I've held on for so long now
 But I had to let you go
 At the end of our broken road
 You were all I've ever known
And I cannot replace all these tears of disgrace
And I won't bleed for you anymore
 Now you're gone, I've moved on
 And I don't feel so sorry
 Can't you see I'm bleeding?
 But I won't bleed anymore
 I've held on for so long now
 But I had to let you go
 At the end of our broken road
And I won't bleed for you anymore
 I've moved on
And I won't bleed for you anymore
I'm bleeding but I won't bleed anymore

I've held on for so long now
But I had to let you go
At the end of our broken road
