

# My Sweet Lady

**Frank Sinatra, Tom Jobim, Don Costa e Eumir Deodat**

Lady, are you crying, do the tears belong to me?  
Did you think our time together was all gone?  
Lady, you've been dreaming, I'm as close as I can be  
And I swear to you our time has just begunClose your eyes and rest your weary mind  
I promise I will stay right here beside you  
Today our lives were joined, became entwined  
I wish that you could know how much I love youLady, are you happy, do you feel the way I do?  
Are there meanings that you've never seen before?  
Lady, my sweet lady, I just can't believe it's true  
And it's like I've never, ever loved beforeClose your eyes and rest your weary mind  
I promise I will stay right here beside you  
Today our lives were joined, became entwined  
I wish that you could know how much I love youLady, are you crying, do the tears belong to me?  
Did you think our time together was all gone?  
Lady, my sweet lady, I'm as close as I can be  
And I swear to you, our time has just begun
