

Gotta Get On This Train

Lisa Stansfield

Yeah, yeah, yeah
We got to get on this train
It's coming around again
Well, I said it before and I'll say it again
We got to get on this train
We're gonna go all the way
Well, what more can I say?
Right on track, it's not going back
We got to get on this train
(Woo, woo)
Got to get on
(Woo, woo)
Got to get on
(Woo, woo)
Got to get on
We got to get on this train
Gotta get on, gotta get on
Come on
Gotta get on, gotta get on
Come on
Gotta get on, gotta get on
We got to get on this train
Gotta get on, gotta get on
We got to get on this train
Got a long, long journey home
And I can feel it in my bones
But if you wanna ride, just bump inside
We got to get on this train, yeah
(Woo, woo)
Got to get on
(Woo, woo)
Got to get on, come on
(Woo, woo)
Got to get on
Got to get on this train
Gotta get on, gotta get on
Come on
Gotta get on, gotta get on
[Incomprehensible]Gotta get on, gotta get on

We got to get on this train
Gotta get on, gotta get on
Got to get on this train
We're right on track, no turning back
I can hear the whistle blowing right through my baby and me
