

# Fascination

**Kem**

It was fascination, I know  
And it might have ended  
Right then at the start Just a passing glance  
Just a brief romance  
And I might have gone  
On my way, empty hearted It was fascination, I know  
Seeing you alone  
With the moonlight above Then I touch your hand  
And next moment, I kiss you  
Fascination turned to love It was fascination, I know  
Seeing you alone  
With the moonlight above Then I touch your hand  
And next moment, I kiss you  
Fascination turned to love
