High Tiding

Nick Waterhouse

It's not that I'm gone nor I've been hiding
Just all alone - I've been high tiding
Come close and see
Something's moving in me
When it comes it shores up
And I find more and moreIt's not that it's wrong that it needs righting
Just all alone - I've been high tiding
Some quick, some slow
Sometimes it drops so low
And I ride as it rises
Concerns capsizing
