

Unravel Me

Tina Arena

[Verse 1]

Pick up my bones off the floor

Collect all the glitter and gold

If I let go of this ROPE

I can still HOLD ON TO HOPE[Pre-Chorus 1]

But is pushing me back

Taking me over

It's not killing me yet

Shouldn't I be stronger[Chorus]

I'm in a haze of SMOKE

Lost in a dream surrounded by ghost

Trying to breath but this lungs

Spinning in circles not coming UNDONE

So unravel me

Ohh unravel me, ohh unravel me, ohh unravel me[Verse 2]

LIBERATE ME if you can

Maybe help me understand

WRAPPED up, twisted, NO ONE SICK

I'D BE strangled IN this way[Pre-Chorus 2]

I'm pushing back

Not going under

What's not killed me yet

Will make me stronger[Chorus][2x]

I'm in a haze of SMOKE

Lost in a dream surrounded by ghost

Trying to breath but this lungs

Spinning in circles not coming UNDONE

So unravel me

Ohh unravel me, ohh unravel me, ohh unravel me
