

Carry On

Crosby, Stills, Nash & Young

By Stephen Stills One morning I woke up and I knew

You were really gone

A new day, a new way, and new eyes

To see the dawn.

Go your way, I'll go mine and

Carry on The sky is clearing and the night

Has cried enough

The sun, he come, the world

To soften up

Rejoice, rejoice, we have no choice but

To carry on The fortunes of fables are able

To see the dawn

Now witness the quickness with which

We get along

To sing the blues you've got to live the tunes and

Carry on Carry on

Love is coming

Love is coming to us all Where are you going now my love?

Where will you be tomorrow?

Will you bring me happiness?

Will you bring me sorrow?

Oh, the questions of a thousand dreams

What you do and what you see

Lover can you talk to me? Girl when I was on my own

Chasing you down

What was it made you run?

Trying your best just to get around.

The questions of a thousand dreams

What you do and what you see

Lover can you talk to me?
